This year's exciting VBS week comes from Heifer International's "Animal Crackers" curriculum. Designed to encourage children to see themselves as part of the global family, the curriculum enables PHPC Kids to gain a deeper appreciation of the ways in which they may help people, animals, and plants live in harmony as God's good creation. Through crafts, songs, Bible stories and outreach we will learn about Heifer's mission to end hunger and poverty while caring for the Earth. Come learn, serve and strengthen PHPC Kids' connection with one another and their global family! Cost is \$25.
